

## Tarot Guide Cheat Sheet

The Tarot deck can be very intimidating. You may feel overwhelmed by all of the cards and having to understand or define each meaning for each card. This is a normal feeling. Here, I have given general meanings for each of the cards in the upright position for the major and minor arcana. As you practice, you will learn more about them and using this guide can help you in the meantime, and, most importantly, trust yourself. Listen to what your intuition tells you. Let's get started.
